	### Future Site owner and Administrator Goals				
FUT_01	* NB In the future, the current site owner role may evolve into two roles - Site Owner and Site Administrator. One or more Site Administrators would take on the roles listed above for specific geographic territories, and a new Site Owner role with overall responsibilities for hosting a bank of trails websites (and possibly for digitising new walks at the site Administrators request)	FUTURE	FUTURE	FUTURE	FUTURE
FUT_02	* In order to process user feedback, a future rule of site moderator (Administrator) will be needed to review and approve submitted reviews and photos, and add them to the trails website databank.	FUTURE	FUTURE	FUTURE	FUTURE
